

2014

University of Otago
Winter Lecture Series

You and your world

Come along to these free North Island public lectures and listen to leading Otago thinkers speak on topics that impact on us all.

Wednesday 4 June 2014 – 6pm

Professor Henrik Moller

Division of Humanities, Centre for Sustainability:
Agriculture, Food, Energy, Environment –

New Zealand's Sustainability Dashboard: future-proofing agriculture for all New Zealanders

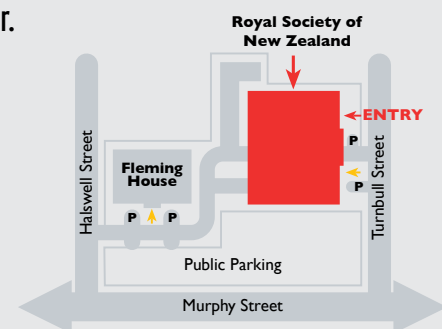

Professor Henrik Moller describes a trans disciplinary approach to handle future challenges and capture opportunities for New Zealand agriculture.

Each lecture followed by refreshments and an opportunity to meet the presenter.
